

## Parent/Caregiver Presentation

### **Nathan Mikaere-Wallis**

“Brain Development and Links to Learning, Behaviour and Relationships”

Nathan presents on brain development and neuroscience

This gives us a better understanding on how and why children, teenagers and young adults behave the way they do.

Nathan is a lively and engaging speaker who uses humour and plain language to make this complex topic come to life.

He presents this information and learning in ways that we can use in everyday life (at home, at school, in the workplace).

**Thursday 15 June 2017**

**Te Awamutu College Hall 7.30pm – 9.00pm**
