

## Year 12 End of Year Newsletter 2018

2018 has been a busy year for Year 12 students, and it has flown by. We have been pleased to see how hard many of you have worked towards gaining your NCEA Level 2 credits and you should be proud of the results you have achieved. We would like to thank all the students, parents and caregivers who have contributed towards making this year a positive one. Good luck to students for your external exams and we look forward to seeing the majority of you in 2019. For those of you not returning to Te Awamutu College in 2019, best wishes for the new challenges ahead, whether it be work or study. It is always great to hear of the progress you are making in your lives so if you have the opportunity, keep in touch.
