

TE AWAMUTU COLLEGE ANNUAL PLAN 2022

(This plan should be read in conjunction with the Te Awamutu College Charter and Strategic Goals and 2022 Action Plan)

CURRICULUM/ACHIEVEMENT/ASSESSMENT/ PLANNING/REPORTING/NZQA

- Our school achievement goals will be the same as for 2021
 - * All students who are entered for NCEA Level 1 to gain 80 credits (including Literacy and Numeracy requirements)
 - * All students who are entered for NCEA Level 2 to gain 60 credits
 - * All students who are entered for NCEA Level 3 to gain the credits they need for tertiary study, training or employment.
- We are committed to every student leaving Te Awamutu College with a meaningful qualification. Our goal of all students receiving 80 credits at Level 1 does not necessarily mean that we expect that to happen in the first year of study. It does mean, that before they leave, they will have received the qualification.
- All data gathered will record the achievement of Māori and Pasifika students separately.

Our academic achievement targets for 2022 (based on analysis of 2021 NCEA results):

	(All)	(Māori)
Year 11 (Level 1)	76%	60%
Year 12 (Level 2)	81%	60%
Year 13 (Level 3)	65%	53%

- Our ERO Evaluation Focus is "improving achievement in literacy in Years 9 and 10."
- We will again select students to be part of Senior (Year 11–13) Target Groups — supporting and mentoring them to achieve success academically and assist them in their career or training pathways.
- In 2022 we will again select 30 Year 9 students and 40 Year 10 students to make up our Junior Target Groups. Their achievement will be tracked throughout the year and teachers are expected to report on progress made to close the gap. Results will be reported to the Board.
- Booster Days will take place after Senior Prizegiving to provide Further Assessment Opportunities to selected students.
- Senior Course Outlines will be provided for students (and their parents/caregivers) communicating links to Vocational Pathways.
- In 2022 there will be 60 Gateway and 23 Waikato Trades Academy placements. Both these initiatives/programmes continue to be highly successful with regard to students' success and satisfaction.
- Students with Specific Learning Needs will continue to be identified and Special Assessment Conditions trialled and/or provided.
- asTTLe testing and analysis will occur for incoming Year 9s (Reading Comprehension and Number Operations) and our Year 10s to:
 - inform teaching practice
 - help measure progress made with literacy and numeracy after one year at the College. This data will be analysed and reported to the Board. (In 2021 due to COVID lockdown no end of year asTTLe tests were undertaken.)
- Year 10 students will be given an opportunity to experience NCEA assessment through one Achievement Standard (91026) in the Mathematics and Statistics Department.
- A Year Nine Integrated Curriculum Study (ICS) "Our Class and O-Tāwhao, Our Marae" will take place during Term 1.
- In 2022 opportunities to incorporate STEAM activities will be encouraged for all staff when and where appropriate. We will continue to support STEAM opportunities both within and outside of school.
- Gifted and Talented Education (GATE) register will be updated. There will be a review and update of school-wide and external opportunities provided for our Gifted and Talented Students.
- EfS (Education for Sustainability) will continue with student lead environmental initiatives and projects. EnviroSchools Green-Gold review is scheduled for 2022. TAC staff and students will be guided through a reflective process to ensure the continuation of the current Green-Gold status.

PASTORAL

- There are clear links between attendance and achievement. In 2021 Te Awamutu College had an attendance rate of 84.8% and a truancy rate of 6.3%. **We are setting a target for attendance in 2022 of 87.0% and a truancy target of less than 5%.** In addition, we will continue to set a target for the number of students who are classed by the Ministry of Education as "Regular Attenders" (those students with greater than 90% attendance). In 2021, this figure was 62.2%. **Our target for Regular Attenders in 2022 will be 65%.** We will continue to utilise the expertise of the Te Awamutu Attendance Officer and Oranga Tamariki, Ministry for Children.
- Since 2013 Te Awamutu College has been a Positive Behaviour for Learning (PB4L) school. This means that appropriate behaviour is taught, modelled and encouraged to further improve relationships and academic outcomes. In 2021 more than 11,900 R Points were awarded with 172 students gaining rewards for showing respect, being responsible or having positive relationships. 8 students earned 3 of the rewards available (Certificate, \$5 canteen voucher and PB4L pen) with 1 student earning all 5 rewards.
- In 2022 we will continue to look for further opportunities to issue R Points and aim to increase the number of students receiving rewards.
- In 2021 116 students had excellent attendance throughout the year and 282 students had perfect punctuality during the entire year. Certificates were awarded. In 2022 we will continue to award these certificates and will aim to increase the number gaining them.
- We will continue to require 85% attendance for students to be eligible to attend the Ball and be part of our sports or culture teams/groups.
- Te Awamutu College will continue to work with parents/caregivers by the provision of information via our on-line parent portal and by sending home Senior and Junior Student Progress Sheets via e-mail at various times during the year, complementing the issuing of Profile (x1) and full Reports (x2) at key times in the school year.
- Deans will continue to have academic counselling meetings with their year level during the Course Selection process. Deans and students have both commented on how valuable these meetings are.
- Form Teachers have an important role to play in a student's life at Te Awamutu College. They will continue to distribute and discuss individual attendance and achievement data with their students and use the opportunity of Form Class in a meaningful and productive way such as silent reading, homework and revision.
- Te Awamutu College will continue to work closely with our contributing schools to ensure a smooth transition for students.

SPORT & RECREATION, CULTURE & ARTS

- The College will continue to review and measure our progress at attaining "Kiwi Sport" Goals:
 - increase the number of school-aged children participating in organised sport (strengthening links with sports clubs).
 - increase availability and accessibility of sporting and recreation opportunities.
 - support children in developing skills.
- We will continue to address and measure progress towards targets:
 - More students access quality sport and recreation opportunities.
 - Pathways are provided for students to achieve personal successes in sport and recreation.
 - Development and support for coaches and managers.
 - Greater collaboration with community organisations and clubs regarding sport and recreational experiences for students.
- Continue to support our sports clubs financially by provision of internal funding from the Board and external funding applications.
- Encourage staff to support our sports teams by being a coach/manager/driver etc.
- Encourage and support students as coaches/managers/referees.
- We will support our culture and arts groups financially by provision of internal funding from the Board and external funding applications.
- Successes by our sports and cultural/ individuals/teams/groups will continue to be recognised and celebrated. Leadership of these teams/groups will be fostered/recognised.
- Kapa Haka, Music Dept concerts, participation in external cultural/ arts competitions and festivals, our annual Talent Quest and Visual Arts exhibitions etc. will continue to be encouraged and supported.

DIGITAL TEACHING AND LEARNING

- An ongoing commitment to improving and broadening digital capabilities in teaching and learning for students and staff. This also includes distance learning. Staff will be committed to providing meaningful learning and undertake PLD if required to ensure effective delivery of content on an online platform.
- Digital Teaching and Learning (DTL) Group will continue to plan and attend PLD to assist in using Digital Technologies effectively in the classroom. All staff are expected to teach and model Digital Literacy.
- All students in 2022 are strongly encouraged to bring a device which meets the requirements for teaching and learning.
- Professional learning and development sessions to support the use of Microsoft 365 and improved teaching and learning in a BYOD environment will continue to occur.
- All staff and students are expected to be responsible and safe digital citizens adhering to school rules and protocols. Staff will model and educate students regarding this. Staff are expected to explicitly teach how to use Office and Teams at the start of Term 1.

PROPERTY

The following work will be staged for the least disruption to the running of the school and is likely to occur during school holidays where possible. No indicative dates are available due to supply chain delays which currently significantly impact the construction sector.
