ACADEMIC EXCELLENCE EVENING

Another highly enjoyable edition of this annual event was held at Vilagrad Winery on 30 March.

We rewarded the academic success of 91 students who attained 15 or more Excellence credits in NCEA Level 1 or 2 in 2022.

254 students, parents/caregivers, extended family members, staff and Board members were on hand to acknowledge the students receiving their medallions.

More photos and a table of recipients will be published in our early Term 2 newsletter.

TEACHER ONLY DAY—MONDAY 24 APRIL

The Ministry of Education has provided all NZ schools with 2 days in 2023 to discuss the NZ Curriculum Refresh programme.

All Te Awamutu District schools have aligned to hold the first TOD on the same day (Day 1 of Term 2). Whilst this may appear unusual, it was thought that this would be the “best fit” with ANZAC Day occurring on the next day.

ANZAC DAY—TUESDAY 25 APRIL

Our Kapa Haka group and Head Students will participate in both services: Dawn (6am) at Memorial Park and Civic (11am) at ANZAC Green.

As usual, a big turnout is expected as we remember those who have served NZ in conflicts and peacekeeping missions all around the world.
