

TE AWAMUTU COLLEGE

POLICY STATEMENT ON CAREERS

Rationale

Te Awamutu College is committed to providing quality Careers Education school wide. This careers umbrella covers general careers guidance, Gateway, STAR and Trades Academy programmes.

Purposes

To ensure all career options are presented so that students may develop an understanding, collect skills and develop attitudes so they make positive career decisions throughout their lives.

Guidelines

1. Students at Te Awamutu College are encouraged to participate in all careers, STAR, Gateway and Trades Academy programmes (see Management Plan).
2. Careers Advisor(s) will be available to discuss career choices on an individual and group basis and provide material that can be integrated into existing classroom programmes.
3. Information is disseminated to students and appropriate guidance offered along with information.
4. Help fulfill the NELP Objective 4 (Future of Learning and Work) Priority 7.
5. Identify and support students at risk of leaving school unprepared for the transition to the workplace or further education or training.
